

	Day 1 (August 3 (Mon))			
	Crystal Ballroom 1	Crystal Ballroom 2	Crystal Ballroom 3	Emerald Room
07:30-09:00	Registration			
09:00-09:10	Opening Ceremony			
09:10-10:40	S 1. How Should We Manage the Remnant Gastric Cancer?	OP02. SET, Staging	ES 1. Preoperative and Postoperative Management	OP01. Basic Research, GERD, Others
10:40-11:00	<i>Coffee Break</i>			
11:00-11:30	Plenary Lecture			
11:30-12:00	JS Min Memorial Lecture			
12:00-12:50	Luncheon Symposium 1 (Johnson & Johnson)			
12:50-13:00	<i>Break</i>			
13:00-14:30	MDT 1. Management of Complications after Gastrectomy	VP1	ES 2. Resection and Reconstruction of Laparoscopic Distal Gastrectomy	OP03. Basic and Translational Research
14:30-14:50	<i>Coffee Break</i>			
14:50-16:20	S 2. Neoadjuvant Chemotherapy for Resectable Gastric Cancer	S 3. Expansion of Endoscopic Submucosal Dissection (ESD) Criteria: Do You Agree?	ES 3. Open Subtotal and Total Gastrectomy	OP04. Endoscopy, Gastrectomy
16:20-17:50	S 4. Localization of Early Gastric Cancer	KGCA Grant Session	S 5. Metabolic and Nutritional Change after Gastrectomy	OP05. Chemotherapy, Others

	Day 2 (August 4 (Tue))			
	Crystal Ballroom 1	Crystal Ballroom 2	Crystal Ballroom 3	Emerald Room
07:30-08:30	RGM : KLASS	RGM : 14VICTORY	RGM : PIPS-GC trial	
08:30-10:00	RS 1. KLASS (Korean Laparoendoscopic Gastrointestinal Surgery Study Group)	VS 1. Intracorporeal Esophagojejunostomy after Total Gastrectomy	RS 2. PIPS-GC (Perioperative Intra-Peritoneal & Systemic Chemotherapy for Gastric Cancer) / KEJCS (Korean Esophageal and Junctional Cancer Surgery)	OP06. Gastrectomy
10:00-10:20	<i>Coffe Break</i>			
10:20-11:50	MDT 2. Chemotherapy	VS 2. Endoscopic Treatment for Early Gastric Cancer and Subepithelial Tumor	ES 4. Diagnostic Upper Endoscopy: From A to Z	S 6. Translational Research using Specimens from Gastric Cancer Patients
11:50-12:10	<i>Break</i>			
12:10-12:40	JP KIM Memorial Lecture			
12:40-13:30	Luncheon Symposium 2 (Medtronic)			
13:30-14:00	General Assembly (for KGCA member, 총회)			
14:00-14:20	<i>Break</i>			
14:20-15:50	MDT 3. Esophagogastrosopy and Laparoscopy	NS. Nurse Specialist for Gastric Cancer Patients	ES 5. Systemic Treatment of Gastric Cancer	OP07. Prognosis 1
15:50-16:10	<i>Coffee Break</i>			
16:10-17:40	(16:10-17:10) Quiz Festival	VS 3. Laparoscopic Function Preserving Gastrectomy	S 7. Signet Ring Cell Carcinoma (SRCC)	OP08. Prognosis 2, QOL
18:40-	Welcome Ceremony with Gala Dinner			

	Day 3 (August 5 (Wed))			
	Crystal Ballroom 1	Crystal Ballroom 2	Crystal Ballroom 3	Emerald Room
07:30-08:30	RGM : KOQUSS	RGM : SENORITA	RGM : REDUSS	
08:30-10:00	<p>RS 3. KOQUSS (Korean Quality of Life in Stomach Cancer Patient Study Group) / REDUSS (REDUced Ports Gastrointestinal Surgery Study Group)</p>	<p>VS 4. Difficulty Case in Laparoscopic Surgery</p>	<p>RS 4. KSESG (Korean Surgical Endoscopy Study Group) / KARS (Korean Anti-Reflux Surgery Study Group)</p>	<p>S 8. Principles and Updates of Treatment for Gastrointestinal Stromal Tumors</p>
10:00-10:20	<i>Coffee Break</i>			
10:20-11:50	<p>S 9. Operating Room Training as an Operator in the Era of Laparoscopic Surgery</p>	<p>S 12. Management for Postoperative Complications: Help Each Other</p>	<p>S 10. Physiology and Management for Gastrointestinal Movement Problems</p>	<p>S 11. Palliative Treatment for Gastric Outlet Obstruction</p>
11:50-12:00	<i>Break</i>			
12:00-12:30	Presidential Lecture			
12:30-13:00	Closing Ceremony
